Public Notice

The Kansas Private Industry Council of Service Delivery Area (SDA) III is submitting a two-year job training plan to the Governor of Kansas through the Kansas Department of Human Resources. Funding for this plan is through Title IIA of the Job Training Partnership Act (JTPA), which is designed to provide training to economically disadvantaged adults and youth.

The respective program years are July 1, 1992, to June 30, 1993 (PY 92), and July 1, 1993, to June 30, 1994 (PY 93). The funding level for PY 92 is \$1,624,149.

The SDA plans to serve an estimated 820 eligible adults and youth during PY 92. The plan will become effective July 1, 1992. The purpose of JTPA is to prepare unskilled adults and youth for entry into the labor force and to afford job training to economically disadvantaged individuals and other individuals having serious barriers to employment who are in special need of such training to obtain productive employment. Authorized activities include, but are not limited to: job research assistance, job counseling, remedial education and basic skills training, occupational skill training and on-the-job training.

The Kansas Private Industry Council of SDA III is also submitting to the Governor through the Kansas Department of Human Resources a Title IIB Summer Youth Employment and Training Plan. The respective program years are October 1, 1991, to September 30, 1992 (PY 91), and October 1, 1992, to September 30, 1993 (PY 92).

The funding level for PY 91 (the summer of 1992) is \$851,336. The SDA plans to serve an estimated 470 eligible youth during the summer of 1992. Funding for the Summer Youth Employment and Training program is through Title IIB of the Job Training Partnership Act (JTPA), which is designed to provide economically disadvantaged youth, ages 14-21, facing serious barriers to employment, with exposure to the world of work and the enhancement of basic educational skills.

The Kansas Private Industry Council of SDA III will also submit to the Governor through the Kansas Department of Human Resources a Title III Economic Dislocation and Worker Adjustment Act (EDWAA)

The respective program years are July 1, 1992, to June 30, 1993 (PY 92), and July 1, 1993, to June 30, 1994 (PY 93). The funding level for PY 92 is \$420,640. The SDA plans to serve approximately 235 eligible participants during PY 92. The purpose of EDWAA is to meet the needs of workers who have been terminated, laid off or have received a notice of termination or layoff due to a permanent closure or substantial layoff at a plant or facility by providing retraining, job search assistance and other aids for dislocated workers. There is a 30-day review and comment period for the proposed plan.

The full IIA plan, Title IIB plan and Title III plan are available at the following locations and may be reviewed upon request. Department of Administration

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 11 a.m. Monday, May 18, in Room 108 of the Landon State Office Building, 900 S.W. Jackson, Topeka, to consider the adoption of proposed rules and regulations of the Di-

vision of Personnel Services.

This 30-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the Secretary of Administration, Room 263-E, State Capitol, Topeka 66612. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

Summaries of the proposed regulations and of their economic impact follow:

Division of Personnel Services

The following regulations are proposed for adoption on a permanent basis:

K.A.R. 1-2-34, Disability, is a new regulation which is adopted to define the term "disability" in a manner consistent with the federal Americans with Disabilities Act (ADA).

K.A.R. 1-6-31, Governor's trainee program; K.A.R. 1-8-7, Trainee program; and K.A.R. 1-9-18, Equal employment opportunity, affirmative action, discrimination prohibited, are proposed for amendment in order to update the term "handicapped" used in these regulations to the term "disability," as defined in proposed K.A.R. 1-2-34. These changes are made to ensure conformity with the ADA.

to increase administrative and judicial efficiency by eliminating subsection (d), which creates a dual hearing system for discrimination appeals. Currently, the Civil Service Board is authorized to hear discrimination appeals which can also be heard by the federal Equal Economic Opportunity Commission or the Kansas Human Rights Commission. The EEOC and KHRC have

In addition, K.A.R. 1-9-18 is being revised in order

man Rights Commission. The EEOC and KHRC have extensive expertise in this field of law inasmuch as their primary purpose is to investigate discrimination claims. Moreover, the types of appeals and the type of judicial remedies available once the employee brings a complaint to the EEOC and KHRC forums is more extensive than those available through the Civil Service Board. Nonetheless, Civil Service Board hearings require extensive time and resources for the employee appealing, the affected state agency and the board;

each of the four discrimination appeals heard by the board in the last year took a full week while most disciplinary appeals range from half a day to two days in length. Therefore, elimination of the Civil Service Board's jurisdiction in these matters would avoid duplication of effort and additional expense for both the employee and the state of Kansas and should simplify the process of resolving discrimination complaints for

the employee.

K.A.R. 1-9-5, Sick leave; and K.A.R. 1-9-13, Payment for accumulated vacation leave and compensatory time credits upon separation, are proposed for amendment in order to standardize the payout of vacation leave upon separation from the state service and sick leave upon retirement. Currently, lump sum payments for accumulated vacation and sick leave credits are calculated using a "mode rate." By changing the calculations to an annualized hourly rate, employee plans regarding resignation or retirement will not be affected by arbitrary factors such as the number of working days in the month of separation, and state agencies will be able to more accurately budget for the costs of such payouts.

Aside from some initial costs for relatively minor programming changes, there is no fiscal impact on the Department of Administration or other state agencies anticipated from these amendments. The effect of moving to a uniform pay rate for vacation and sick leave payouts would vary from employee to employee—currently payouts vary depending upon the number of workdays in that payroll period. Therefore, the pay rate under the existing calculations would in some months be lower and in other months be higher than

the proposed annualized pay rate.

K.A.R. 1-9-4, Vacations, is being amended to clarify language relating to enforcement of maximum vacation leave accrual limits. The changes are editorial in nature only and there is no change intended in the procedures for notifying employees of excess leave credits or for enforcing the limits as of the last payroll period beginning in April. In addition, a reference establishing a proportional maximum accrual of vacation leave for part-time employees is eliminated to ensure consistent accrual limits for these employees regardless of the length of their payroll period.

No fiscal impact on the Department of Administration, other state agencies, state employees or the gen-

eral public will result from these changes.

Copies of these regulations and of the associated economic impact statements can be obtained from the Division of Personnel Services, 9th Floor, Landon State Office Building, 900 S.W. Jackson, Topeka 66612, (913) 296-4278.

Board of Nursing

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 3:30 p.m. Wednesday, May 20, in Room 106 of the Landon State Office Building, 900 S.W. Jackson, Topeka, to consider the adoption of proposed changes in existing rules and

regulations.

The 30-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the executive administrator of the Board of Nursing, Room 551-S, Landon State Office Building, 900 S.W. Jackson, Topeka. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing.

A summary of proposed regulations and their economic impact follows:

K.A.R. 60-4-103, Fees and travel expenses for school accreditation and approval of continuing education providers, is presented to revise two fees for continuing nursing education providers. A statute change in 1990 established a five-year renewal plan for the continuing nursing education providerships with an annual statistical report. The biennial renewal fee had not been changed in the rules and regulations to reflect the annual fee as set out in the statutes.

The continuing nursing education rules and regulations have been revised to include approval of continuing nursing education providerships if the providership has been initially approved by a body whose requirements for the providership approval are equivalent to the state of Kansas. An initial and annual fee are established in this revision for this type of review process.

In K.A.R. 60-11-103, Qualifications of advanced registered nurse practitioners, an update in language is proposed to change the term "graduated from" to "completed" as part of the qualifications for the advanced registered nurse practitioner. The other major change is that after January 1, 1994, a nurse to become certified as a clinician/practitioner must have a baccalaureate degree in nursing as well as the specialized education in the area of expertise. All individuals completing a clinician/practitioner program prior to that date will not be affected.

The change in these regulations should have only minimal effect of agency functioning. There should be no great change in the revenues or expenditures for the agency. Some continuing nursing education providers should benefit from the lower initial and annual fees that may be required. The baccalaureate degree in nursing to meet certification requirements for a nurse clinician/practitioner may affect some nurse practitioners if endorsing from out-of-state. All nurse cli-

nician/practitioner programs presently in Kansas require or lead to a baccalaureate degree in nursing.

Copies of the regulations and their economic impact statements may be obtained from the Board of Nursing at the address above, (913) 296-3782.

Schools—Teachers' Contracts; Due Process Procedure; Contract Termination—Testimony, Recording and Transcribing; Allocation of Costs; 1992 Senate Bill No. 109; Constitutionality. Representative Rick Bowden, 93rd District, Goddard, April 2, 1992.

The amendment proposed in 1992 Senate Bill No. 109, § 1 requires the tenured teacher to pay the costs of transcription if the tenured teacher requests a transcript, or one-half of the costs if both parties request a transcript. However, the state has established no compelling interest in recouping the costs of procedural due process, and cannot impose a significant and unjustified open-ended penalty on the exercise of the right of due process. The state therefore cannot penalize the tenured teacher for exercising the tenured teacher's due process rights by requiring the tenured teacher to pay the costs of transcription as set forth in 1992 Senate Bill No. 109, § 1. Minors—Kansas Code for Care of Children; Matters Prior to Filing Petition—Reporting of Certain Abuse or Neglect of Child; Pregnancy. Bill McCormick, Director of Federal and State Affairs, Governor's Office, April 6, 1992.

Whether a particular minor in a particular case has been injured as a result of sexual intercourse and a resulting pregnancy must be determined on a case-bycase basis. While the pregnancy itself is not an injury, it certainly puts one on notice that sexual abuse (as statutorily defined) probably has occurred, and requires those persons listed in K.S.A. 1991 Supp. 38-1522(a) to investigate further whether the child has suffered injury, either physical or emotional. If there is reason to suspect that the child has been injured, that person is then required to report such suspicions and the reasons therefore. Notice of Meeting and Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 7 p.m. Thursday, May 21, at the Hays Convention Center (behind the Country Kitchen), 3203 N. Vine, Hays, to consider the adoption and revocation of several department regulations. If necessary, the public hearing will continue at 9 a.m. Friday, May 22, at the same location. A general business meeting will begin at 1:30 p.m. May 21 at the same location. If necessary, the business meeting will continue following the conclusion of the public hearing. The business meeting agenda will be announced at a later date and the public is also invited to attend the business meeting.

This 30-day notice period prior to the hearing constitutes a public comment period for the purpose of receiving written public comments on the proposed

regulations.

All interested parties may submit written comments prior to the hearing to the chairman of the commission, Kansas Department of Wildlife and Parks, Suite 502, Landon State Office Building, 900 S.W. Jackson, Topeka 66612. All interested parties will be given a reasonable opportunity at the hearing to express their views orally in regard to the adoption of the proposed regulations. During the hearing, all written and oral comments submitted by interested parties will be considered by the commission as a basis for approving, amending and approving, or rejecting the proposed regulations.

The department, if given three days advance notice, will have an interpreter available for persons with hearing impairments. To contact the department, call the

TDD Service at 1-800-766-3777.

The following is a brief summary of the permanent and exempt regulations proposed for adoption and

revocation:

K.A.R. 115-2-1. This permanent regulation is proposed for amendment. Fee increases are proposed for: resident and nonresident hunting and fishing licenses (including combination licenses); general resident and landowner/tenant elk permits; 5-day nonresident fishing licenses; resident fur dealer licenses; controlled shooting area hunting licenses; scientific, educational or exhibit permits; duplicate issues; and vendor bonds. A junior nonresident hunting license for those under 16 years of age is established with a fee of \$30.00 proposed (½ price). Fees would be effective on January 1, 1993.

Economic Impact Summary: The amount of revenue increase to the department is estimated to be \$1,568,757. This represents a cost to those members of the public choosing to participate in activities for which the several licenses and permits are required.

K.A.R. 115-11-2. This permanent regulation is proposed for amendment. The amendments address size of lettering on controlled shooting area signs and the spacing between signs along the boundary.

Economic Impact Summary: It is believed that controlled shooting areas already meet the minimum requirements which would be established under the proposed regulation. Thus, no impact on operators is expected. There would be no impact on

the department.

K.A.R. 115-15-1. This permanent regulation which lists threatened and endangered species in Kansas is proposed for amendment. Seven species (5 mussels and 2 beetles) are added to the endangered species list and eight species (3 fish, 1 turtle, and 4 mussels) are added to the threatened list. Four species (1 frog, 2 snakes and 1 beetle) are deleted from the threatened list.

Economic Impact Summary: Publicly funded projects which would impact a threatened or endangered species must undergo

a review process. That process could result in a mitigation requirement and could increase project costs to sponsors. Adequate planning may also identify alternatives which would decrease costs. Addition of several species may therefore have an economic impact, but the amount, if any, is unknown at this time.

K.A.R. 115-15-2. This permanent regulation which lists species in need of conservation is proposed for amendment. Twenty-one species (4 birds, 1 fish, 1 frog, 3 snakes, 9 mussels and 3 insects) are added to the list. Ten species (1 bird, 1 fish, 7 must list and 1 insects) are deleted from the list.

mussels and 1 insect) are deleted from the list.

Economic Impact Summary: Species on this list are protected from taking. The new species added are not traditionally taken, so no impact on the public is anticipated. No significant impact

on the department is anticipated.

K.A.R. 115-16-3. This permanent regulation which establishes a nuisance bird control permit, outlines application procedures and specifies restrictions is proposed for amendment. Feral pigeons, English sparrows and starlings are removed from the list of species requiring a permit, and the permit duration (and extensions) are lengthened.

Economic Impact Summary: The amendments will greatly simplify control activities for applicators using poison or chemical control and allow permittees longer periods of time to operate without having to renew permits. No impact on the department

is anticipated.

K.A.R. 115-25-1. This proposed exempt regulation establishes pheasant, quail and prairie chicken seasons and bag and possession limits. It would replace K.A.R. 23-1-4, which is proposed for revocation. The seasons and limits remain basically the same with the following changes: all possession limits would be four times the daily bag; Pratt, Morton and Clark Counties would be open to prairie chicken hunting during the first (early) season in addition to the portion of the state east of federal highway U.S. 281; and the early prairie chicken season would start on September 15 each year and run through October 15 of each year.

Economic Impact Summary: An increase in the possession limits may encourage some hunters to spend more time in the field, thus providing benefits to local businesses. No impact on

the department is anticipated.

K.A.R. 115-25-4. This proposed exempt regulation establishes the open season and the bag and possession limits for squirrel hunting. It would replace K.A.R. 23-2-2, which is proposed for revocation. The season and bag limit would remain unchanged and the possession limit is increased from 10 to 20.

Economic Impact Summary: No economic impact is

ınticipated.

K.A.R. 23-1-4. This exempt regulation exists under the discontinued agency 23 number. It provides for upland game bird seasons. Provisions of this regulation are incorporated into K.A.R. 115-25-1 and changes are discussed under that summary statement.

Economic Impact Summary: No impact will occur as a result

of revocation.

K.A.R. 23-2-2. This exempt regulation exists under the discontinued agency 23 number. It provides for the squirrel season. Provisions of this regulation are incorporated into K.A.R. 115-25-4 and changes are discussed under that summary statement.

Economic Impact Summary: No impact will occur as a result

of revocation.

In determining whether a given violation is independent of and substantially distinguishable from any other violation for the purpose of assessing separate civil penalties, consideration shall be given to whether each violation requires an element of proof not required by another violation. Where several violations require the same elements of proof and are not distinguishable, assessment of separate civil penalties shall be within the discretion of the secretary or the secretary's authorized representative.

(b) For each violation, the amount of the proposed civil penalty shall be within the ranges listed below:

(b) Once a settlement is reached, the parties shall reduce the settlement to writing and present the proposed written consent agreement to the secretary or the secretary's designee. The consent agreement shall state that, for the purpose of the proceeding,

- 4-16-305. Adjusting the amount of the proposed civil penalty. (a) Each respondent shall present all evidence on the issue of adjustment of the proposed civil penalty at the settlement conference. Such evidence may include mitigating factors or new evidence not previously known at the time the complaint was issued.
- (b) Upon presentation by the respondent of new evidence establishing facts and circumstances that were unknown to the secretary or to the secretary's duly authorized agent at the time the complaint was issued and which relate to the gravity of the violation, a new civil penalty may be proposed. When these additional facts establish that respondent did not commit the violations charged, the complaint shall be dismissed. When the new evidence reveals additional charges should have been filed, a new complaint proposing appropriate additional civil penalties may be filed.

(c) The burden shall be on the respondent to present evidence of any mitigating factors to support any requested reduction in the amount of the proposed civil penalty. The amount of the civil penalty may be reduced if the reduction serves the public interest.

(d) The amount of a civil penalty shall not be reduced to less than \$100 per offense. Whether or not a proposed civil penalty is reduced lies within the sole discretion of the secretary or the secretary's duly authorized representative. Reductions shall not occur unless evidence of mitigating factors has been presented by respondent.

(e) This regulation shall take effect on and after July 1, 1992. (Authorized by K.S.A. 65-6a44; implementing K.S.A. 1991 Supp. 65-6a56; effective July 1, 1992.)

(2) a specific reference to each provision of the act or implementing regulation which respondent is alleged to have violated;

(3) a concise statement of the factual basis for each

alleged violation;

(4) the amount of the civil penalty which is proposed

to be assessed; and

(5) the notice of respondent's right to request a hearing on any material fact contained in the complaint or on the appropriateness of the amount of the proposed civil penalty. This notice may be incorporated within the complaint or set forth in a separate document.

(b) Each respondent shall be served a notice of a prehearing conference in accordance with the Kansas administrative procedures act (K.S.A 77-501 et seq.).

- (c) This regulation shall take effect on and after July 1, 1992. (Authorized by K.S.A. 65-6a44; implementing K.S.A. 1991 Supp. 65-6a56; effective July 1, 1992.)
- **4-17-301.** Answer to the complaint. (a) If a respondent contests any material fact upon which the complaint is based, or contends that the amount of the civil penalty proposed in the complaint is inappropriate or that the respondent is entitled to judgment as a matter of law, the respondent shall file a written answer to the complaint. This answer shall be filed with the designated hearing officer within 20 days after service of the complaint.
- (b) Each respondent's answer shall be in writing. The answer shall clearly and directly admit, deny or explain each of the factual allegations contained in the complaint to which the respondent has any knowledge. Where the respondent has no knowledge of a particular factual allegation and so states, the allegation shall be deemed denied. The answer shall also state any circumstances or arguments which are alleged to constitute grounds of defense, any facts which the respondent disputes and intends to place at issue and whether a hearing is requested.

(c) The respondent's failure to admit, deny or explain any material facts or allegations contained in the complaint shall constitute an admission of the allegation.

(continued)

- (d) The respondent's failure to answer a complaint shall be deemed to constitute default.
- (e) This regulation shall take effect on and after July 1, 1992. (Authorized by K.S.A. 65-6a44; implementing K.S.A. 1991 Supp. 65-6a56; effective July 1, 1992.)
- 4-17-302. Amount of proposed civil penalty. (a) A separate civil penalty shall be assessed for each violation of any provision of the Kansas meat and poultry inspection act or any rule and regulation promulgated thereunder which results from each independent act or failure to act by any person, agent or employee thereof. In determining whether a given violation is independent of and substantially distinguishable from any other violation for the purpose of assessing separate civil penalties, consideration shall be given to whether each violation requires an element of proof not required by another violation. Where several violations require the same elements of proof and are not distinguishable, assessment of separate civil penalties shall be within the discretion of the secretary or the secretary's authorized representative.

(b) For each violation, the amount of the proposed civil penalty shall be within the ranges listed below:

- (1) For each violation of K.S.A. 65-6a34 or K.S.A. 65-6a41, or any rules and regulations implementing these statutes, the proposed civil penalty shall be not less than \$100 nor more than \$1,000.
- (2) For each violation of K.S.A. 65-6a22, K.S.A. 65-6a24, K.S.A. 65-6a25, K.S.A. 65-6a27(a), K.S.A. 65-6a29, K.S.A. 65-6a31 or K.S.A. 65-6a32, or any rules and regulations implementing these statutes, the proposed civil penalty shall be not less than \$100 nor more than \$2,500.
- (3) For each violation of K.S.A. 65-6a20, K.S.A. 65-6a21, K.S.A. 65-6a23, K.S.A. 65-6a27(b), 65-6a28 or K.S.A. 65-6a33, or any rules and regulations implementing these statutes, the proposed civil penalty shall be not less than \$100 nor more than \$5,000.
- (c) For each second or subsequent occurrence of a violation within a three-year period for which a civil penalty has been assessed, the civil penalty assessed for the subsequent violation shall be the not less than double the amount of the civil penalty assessed for the original violation but not more than the maximum amount for the category listed.
- (d) This regulation shall take effect on and after July 1, 1992. (Authorized by K.S.A. 65-6a44; implementing K.S.A. 1991 Supp. 65-6a56; effective July 1, 1992.)
- **4-17-303.** Criteria to determine dollar amount of proposed civil penalty. In determining the amount of any proposed civil penalty, the gravity of the violation shall be considered by the secretary or the secretary's designee. Factors to be considered shall include: (a) The potential of the act to injure or endanger the health of any consumer, or the general public;

(b) the severity of actual or potential injuries;

(c) the respondent's history of compliance with the Kansas meat and poultry inspection act and the rules and regulations promulgated thereunder;

(d) any action taken by respondent to remedy the specific violation or to mitigate any adverse effects which were the result of the violation; and

(e) whether or not the violation involved any adulterated article, misrepresentation or fraud.

- (f) This regulation shall take effect on and after July 1, 1992. (Authorized by K.S.A. 65-6a44; implementing K.S.A. 1991 Supp. 65-6a56; effective July 1, 1992.)
- **4-17-304.** Informal settlement. (a) The respondent may request a settlement conference. The request may be contained either in respondent's answer to the complaint or presented at the prehearing conference. A request for a settlement conference shall not constitute an answer to a complaint. A settlement conference shall not affect the respondent's obligation to file a timely answer to a complaint.

(b) Once a settlement is reached, the parties shall reduce the settlement to writing and present the proposed written consent agreement to the secretary or the secretary's designee. The consent agreement shall state that, for the purpose of the proceeding,

respondent:

(1) Admits the jurisdictional allegations of the complaint;

(2) admits the facts stipulated in the consent agreement;

(3) neither admits nor denies specific factual allegations contained in the complaint; and

(4) consents to the assessment of a stated civil penalty. The consent agreement shall include any and all terms of the agreement and shall be signed by all parties or their counsel or representatives of record.

(c) This regulation shall take effect on and after July 1, 1992. (Authorized by K.S.A. 65-6a44; implementing K.S.A. 1991 Supp. 65-6a56; effective July 1, 1992.)

- **4-17-305.** Adjusting the amount of the proposed civil penalty. (a) Each respondent shall present all evidence on the issue of adjustment of the proposed civil penalty at the settlement conference. Such evidence may include mitigating factors or new evidence not previously known at the time the complaint was issued.
- (b) Upon presentation by the respondent of new evidence establishing facts and circumstances that were unknown to the secretary or to the secretary's duly authorized agent at the time the complaint was issued and which relate to the gravity of the violation, a new civil penalty may be proposed. When these additional facts establish that respondent did not commit the violations charged, the complaint shall be dismissed. When the new evidence reveals additional charges should have been filed, a new complaint proposing appropriate additional civil penalties may be filed.

(c) The burden shall be on the respondent to present evidence of any mitigating factors to support any requested reduction in the amount of the proposed civil penalty. The amount of the civil penalty may be reduced if the reduction serves the public interest.

(d) The amount of a civil penalty shall not be reduced to less than \$100 per offense. Whether or not a proposed civil penalty is reduced lies within the sole discretion of the secretary or the secretary's duly authorized representative. Reductions shall not occur unless evidence of mitigating factors has been presented by respondent.

(e) This regulation shall take effect on and after July 1, 1992. (Authorized by K.S.A. 65-6a44; implementing K.S.A. 1991 Supp. 65-6a56; effective July 1, 1992.)

112-9-11a. General provisions. (a) Each parimutuel wagering pool shall be independently calculated and distributed. The takeout shall be deducted from each gross pool as authorized by law. The remaining monies in the pool shall constitute the net pool for distribution as payoff on winning wagers.

(c) The standard or the net price calculation procedure shall be used to calculate single commission pools, but only the net price calculation procedure shall be used to calculate multi-commission pools.

(d) If a profit split results in only one covered winning betting interest or combinations it shall be cal-

culated the same as a single price pool.

(e) Minimum payoffs and the method used for calculating breakage shall be established by the commission. (Authorized by K.S.A. 1990 Supp. 74-8804; implementing K.S.A. 1990 Supp. 74-8819, as amended by L. 1991, ch. 247, §5; effective June 1, 1992.)

112-9-12a. Win pools. (a) The amount wagered on the betting interest which finishes first shall be deducted from the net pool. The balance remaining shall be the profit. The profit shall be divided by the amount wagered on the betting interest finishing first, the quotient being the profit per dollar wagered to win on the betting interest.

(b) The net win pool shall be distributed as a single price pool to winning wagers in the following precedence, based upon the official order of finish:

(1) to those whose selection finishes first, but if there are no such wagers; then

(3) as a single price pool to those who selected the one covered betting interest included within the first two finishers; but if there are no such wagers, then

(4) as a single price pool to those who selected the third-place finisher; but if there are no such wagers, then

(5) the entire pool shall be refunded on place wagers for that contest.

(c) If there is a dead heat for first involving contestants representing the same betting interest, the place pool shall be distributed as a single price pool.

112-9-14a. Show pools. (a) The amounts wagered to show on the first three betting interests to finish shall be deducted from the net pool. The balance remaining shall be the profit. The profit shall be divided into three equal portions, one being assigned to each winning betting interest and divided by the amount wagered to show on that betting interest, the quotient being the profit per dollar wagered to show on that betting interest.

(b) The net show pool shall be distributed to winning wagers in the following precedence, based upon the official order of finish:

the official order of finish:

(1) if contestants of a coupled entry or mutuel field finish in the first three places, as a single price pool to those who selected the coupled entry or mutuel field; otherwise

- (2) if contestants of a coupled entry or mutuel field finish as two of the first three finishers, the profit shall be divided, with two-thirds distributed to those who selected the coupled entry or mutuel field and onethird distributed to those who selected the other betting interest included within the first three finishers; otherwise

(e) If there is a dead head for first involving contestants representing two or more betting interests, the show pool shall be distributed as a profit split.

(f) If there is a dead heat for second involving contestants representing the same betting interest, the profit shall be divided with one-third distributed to those who selected the betting interest finishing first and two-thirds distributed to those who selected the second-place finishers.

(g) If there is a dead heat for second involving contestants representing two betting interests, the show

pool shall be distributed as a profit split.

- (h) If there is a dead heat for second involving contestants representing three betting interests, the show pool shall be divided, with one-third of the profit distributed to show wagers on the betting interest finishing first and the remainder distributed equally among show wagers on those betting interests involved in the dead heat for second.
- (i) If there is a dead heat for third involving contestants representing the same betting interest, the show pool shall be distributed as if no dead heat occurred.
- (j) If there is a dead heat for third involving contestants representing two or more betting interests, the show pool shall be divided, with two-thirds of the profit distributed to show wagers on the betting interests finishing first and second and the remainder distributed equally among show wagers on those betting interests involved in the dead heat for third. (Authorized by K.S.A. 1990 Supp. 74-8804; implementing K.S.A. 1990 Supp. 74-8819, as amended by L. 1991, ch. 247, § 5; effective June 1, 1992.)
- 112-9-15a. Daily double pools. (a) The daily double requires selection of the first-place finisher in each of two specified contests.
- (b) The net daily double pool shall be distributed to winning wagers in the following precedence, based upon the official order of finish:
- (1) as a single price pool to those whose selection finishes first in each of the two contests; but if there are no such wagers, then
- (2) as a profit split to those who selected the firstplace finisher in either of the two contests; but if there are no such wagers, then

- (3) as a single price pool to those who selected the one covered first-place finisher in either contest; but if there are no such wagers, then
- (4) as a single price pool to those whose selection finishes second in each of the two contests; but if there are no such wagers, then

(5) the entire pool shall be refunded on daily double

wagers for those contests.

(c) if there is a dead heat for first in either of the two contests involving contestants representing the same betting interest, the daily double pool shall be distributed as if no dead heat occurred.

(d) If there is a dead heat for first in either of the two contests involving contestants representing two or more betting interests and there is more than one covered winning combination, the daily double pool shall be distributed as a profit split.

(e) If a betting interest in the first-half of the daily double is scratched before the first daily double contest is declared official, all money wagered on combinations including the scratched betting interest shall be deducted from the daily double pool and refunded.

- (f) If a betting interest in the second-half of the daily double is scratched before the close of wagering on the first daily double contest, all money wagered on combinations including the scratched betting interest shall be deducted from the daily double pool and refunded.
- (g) If a betting interest in the second-half of the daily double is scratched after the close of wagering on the first daily double contest, all wagers combining the winner of the first contest with the scratched betting interest in the second contest shall be allocated a consolation payoff. In calculating the consolation payoff the net daily double pool shall be divided by the total amount wagered on the winner of the first contest and an unbroken consolation price obtained. The broken consolation price shall be multiplied by the dollar value of wagers on the winner of the first contest combined with the scratched betting interest to obtain the consolation payoff. Breakage shall not be included in this calculation. The consolation payoff shall be deducted from the net daily double pool before calculation and distribution of the winning daily double payoff. Dead heats including separate betting interests in the first contest shall result in a consolation payoff calculated as a profit split.

wagers for those contests.

(i) If the second daily double contest is canceled or declared "no contest" after the conclusion of the first daily double contest, the net daily double pool shall be distributed as a single price pool to wagers selecting the winner of the first daily double contest. (2) as a single price pool to those whose combination finishes as the first two betting interests; but if there

are no such wagers, then

- (3) as a profit split to those whose combination includes either the first- or second-place finisher; but if there are no such wagers on one of those two finishers, then
- (4) as a single price pool to those whose combination includes the one covered betting interest included within the first two finishers; but if there are no such wagers, then

(5) the entire pool shall be refunded on quinella wa-

(3) as a profit split to those combining the betting interests involved in the dead heat for second; but if

there are no such wagers, then

(4) as a profit split to those whose combination includes the winner and any other betting interest and wagers selecting any of the betting interests involved in the dead heat for second; but if there are no such wagers, then

(5) the entire pool shall be refunded on quinella wagers for that contest. (Authorized by K.S.A. 1990 Supp.

74-8804; implementing K.S.A. 1990 Supp. 74-8819, as amended by L. 1991, ch. 247, § 5; effective June 1, 1992.)

- (c) If there is a dead heat for first in either of the two quinella double contests involving contestants representing the same betting interest, the quinella double pool shall be distributed to those selecting the coupled entry or mutuel field combined with the next separate betting interest in the official order of finish for that contest.
- (d) If there is a dead heat for first in either of the two quinella double contests involving contestants representing two betting interests, the quinella double pool shall be distributed as if no dead heat occurred.

(e) If there is a dead heat for first in either of the two quinella double contests involving contestants representing three or more betting interests, the quinella double pool shall be distributed as a profit split.

(f) If there is a dead heat for second in either of the quinella double contests involving contestants representing the same betting interest, the quinella double pool shall be distributed as if no dead heat occurred.

In calculating the consolation payoff, the net quinella double pool shall be divided by the total amount wagered on the winning combination in the first contest and an unbroken consolation price obtained. The unbroken consolation price shall be multiplied by the dollar value of wagers on the winning combination in the first contest together with a combination including the scratched betting interest in the second contest to obtain the consolation payoff. Breakage shall not be included in this calculation. The consolation payoff shall be deducted from the net quinella double pool before calculation and distribution of the winning quinella double payoff. In the event of a dead heat involving separate betting interests, the net quinella double pool shall be distributed as a profit split.

(k) If either of the quinella double contests is canceled before the first quinella double contest, or the first quinella double contest is declared "no contest," the entire quinella double pool shall be refunded on

quinella double wagers for those contests.

(l) If the second quinella double contest is canceled or declared "no contest" after the conclusion of the first quinella double contest, the net quinella double pool shall be distributed as a single price pool to wagers selecting the winning combination in the first quinella double contest. If there are no wagers selecting the winning combination in the first quinella double contest, the entire quinella double pool shall be refunded on quinella double wagers for those contests. (h) In the second twin quinella contest only, the entire net twin quinella pool shall be distributed to winning wagers in the following precedence, based upon the official order of finish for the second twin

- (o) If a betting interest in the first half- of the twin quinella is scratched, those twin quinella wagers including the scratched betting interest shall be refunded.

(2) as a single price pool to those who select the first-place finisher in any two of the three contests; but if there are no such wagers, then

(3) as a single price pool to those who select the first-place finisher in any one of the three contests; but if there are no such wagers, then

(4) the entire pool shall be refunded on pick three

(d) If there is a dead heat for first in any of the three contests involving contestants representing two or more betting interests, the pick three pool shall be distributed as a single price pool with each winning

wager receiving an equal share of the profit.

- (e) If a betting interest in any of the three pick three contests is scratched, the actual favorite, as determined by total amounts wagered in the win pool at the close of wagering on that contest, shall be substituted for the scratched betting interest for all purposes, including pool calculations. If the win pool total for two or more favorites is identical, the substitute selection shall be the betting interest with the lowest program number. The totalisator shall produce reports showing each of the wagering combinations with substituted betting interests which became winners as a result of the substitution, in addition to the normal winning combination.
- (f) If all three pick three contests are canceled or declared "no contest," the entire pool shall be refunded on pick three wagers for those contests.
- (g) If one or two of the pick three contests are canceled or declared "no contest," the pick three pool shall remain valid and shall be distributed in accordance with subsection (b) of this regulation. (Authorized by K.S.A. 1990 Supp. 74-8804; implementing K.S.A. 1990 Supp. 74-8819, as amended by L. 1991, ch. 247, § 5; effective June 1, 1992.)
- 112-9-22. (Authorized by K.S.A. 1988 Supp. 74-8804(p); implementing K.S.A. 1988 Supp. 74-8819(b); effective, T-112-3-31-89, March 31, 1989; effective June 26, 1989; amended March 19, 1990; revoked June 1, 1992.)
- 112-9-22a. Pick (N) pools. (a) The pick (N) requires selection of the first-place finisher in each of a designated number of contests. The number of contests so designated shall be more than three. The organization licensee shall obtain written approval from the commission for the schedule of pick (N) contests, the designation of one of the methods prescribed in subparagraph (b) of this regulation and the amount of any cap to be set on the carryover. The organization licensee shall not modify these pick (N) conditions without prior written approval from the commission.

(b) The pick (N) pool shall be apportioned under

one of the following methods:

(1) The net pick (N) pool and carryover, if any, shall be distributed as a single price pool to those who select the first-place finisher in each of the pick (N) contests, based upon the official order of finish. If there are no such wagers, then a designated percentage of the net pool shall be distributed as a single price pool to those who select the first-place finisher in the greatest number of pick (N) contests, and the remainder shall be added to the carryover.

(2) The major share of the net pick (N) pool and the carryover, if any, shall be distributed to those who select the first-place finisher in each of the pick (N) contests, based upon the official order of finish. The minor share of the net pick (N) pool shall be distributed to those who select the first-place finisher in the second greatest number of pick (N) contests, based upon the official order of finish. If there are no wagers selecting the first-place finisher of all pick (N) contests, the minor share of the net pick (N) pool shall be distributed as a single price pool to those who select the first-place finisher in the greatest number of pick (N) contests, and the major share shall be added to the carryover.

(3) The net pick (N) pool shall be distributed as a single price pool to those who select the first-place finisher in the greatest number of pick (N) contests, based upon the official order of finish. If there are no

winning wagers, the pool shall be refunded.

(4) The major share of the net pick (N) pool shall be distributed to those who select the first place finisher in the greatest number of pick (N) contests, based upon the official order of finish. The minor share of the net pick (N) pool shall be distributed to those who select the first-place finisher in the second greatest number of pick (N) contests, based upon the official order of finish. If there are no wagers selecting the first-place finisher in a second greatest number of pick (N) contests, the minor share of the net pick (N) pool shall be combined with the major share for distribution as a single price pool to those who select the firstplace finisher in the greatest number of pick (N) contests. If the greatest number of first-place finishers selected is one, the major and minor shares shall be combined for distribution as a single price pool. If there are no winning wagers, the pool shall be refunded.

(5) The major share of the net pick (N) pool shall be distributed to those who select the first-place finisher in each of the pick (N) contests, based upon the official order of finish. The minor share of the net pick (N) pool shall be distributed to those who select the first-place finisher in the second greatest number of pick (N) contests, based upon the official order of finish. If there are no wagers selecting the first-place finisher in all pick (N) contests, the entire net pick (N) pool shall be distributed as a single price pool to those who select the first-place finisher in the greatest number of pick (N) contests. If there are no wagers selecting the first-place finisher in a second greatest number of pick (N) contests, the minor share of the net pick (N) pool shall be combined with the major share for distribution as a single price pool to those who select the first-place finisher in each of the pick (N) contests. If there are no winning wagers, the pool shall be refunded.

(c) If there is a dead heat for first in any of the pick (N) contests involving contestants representing the same betting interest, the pick (N) pool shall be distributed as if no dead heat occurred.

(d) If there is a dead heat for first in any of the pick (N) contests involving contestants representing two or more betting interests, the pick (N) pool shall be distributed as a single price pool with each winning wager receiving an equal share of the profit.

- (e) If a betting interest in any of the pick (N) contests is scratched, the actual favorite, as demonstrated by total amounts wagered in the win pool at the close of wagering on that contest, shall be substituted for the scratched betting interest for all purposes, including pool calculations. If the win pool total for two or more favorites is identical, the substitute selection shall be the betting interest with the lowest program number. The totalisator shall produce reports showing each of the wagering combinations with substituted betting interests which became winners as a result of the substitution, in addition to the normal winning combination.
- (f) The pick (N) pool shall be canceled and all pick (N) wagers for the individual performance shall be refunded if:

(1) at least two contests included as part of a pick

3 are canceled or declared "no contest"; or

(2) at least three contests included as part of a pick 4, pick 5 or pick 6 are canceled or declared "no contest": or

(3) at least four contests included as part of a pick 7, pick 8 or pick 9 are canceled or declared "no contest": or

(4) at least five contests included as part of a pick

10 are canceled or declared "no contest."

(g) If at least one contest included as part of a pick (N) is canceled or declared "no contest," but not more than the number specified in subsection (f) of this regulation, the net pool shall be distributed as a single price pool to those whose selection finishes first in the greatest number of pick (N) contests for that performance. Such distribution shall include the portion ordinarily retained for the pick (N) carryover but not the carryover from previous performances.

(h) The pick (N) carryover may be capped at a designated level approved by the commission in accor-

dance with these racing regulations.

(i) An organization licensee may request permission to distribute the pick (N) carryover on a specific performance. The request shall be submitted to the commission in writing and shall include justification for the distribution, an explanation of the benefit to be derived and the intended date and performance when the distribution will be made.

(j) If the pick (N) carryover is designated for distribution on a specified date and performance in which there are no wagers selecting the first-place finisher in each of the pick (N) contests, the entire pool shall be distributed as a single price pool to those whose selection finishes first in the greatest number of pick (N) contests. The pick (N) carryover shall be designated for distribution on a specified date and performance only under the following circumstances:

(1) upon written approval from the commission as provided in subsection (h) of this regulation; or

(2) upon written approval from the commission when there is a change in the carryover cap, a change from one type of pick (N) wagering to another or when the pick (N) is discontinued; or

(3) on the closing performance of the race meeting

or split meeting.

(k) If for any reason the pick (N) carryover is carried over to the corresponding pick (N) pool of a later race (continued)

meeting, the carryover shall be deposited in an interest-bearing account approved by the commission. The pick (N) carryover plus accrued interest then shall be added to the net pick (N) pool of the following race meeting on a date and performance designated by the commission.

(l) If it secures written commission approval, an organization licensee may contribute to the pick (N) carryover a sum of money up to the amount of any

designated cap.

(m) Providing information to any person regarding covered combinations, amounts wagered on specific combinations or number of tickets sold is prohibited. This shall not prohibit any necessary communication for the processing of pool data between totalisator and parimutuel department employees.

(n) The organization licensee may suspend previously approved pick (N) wagering only with the prior written approval of the commission. Any carryover shall be held until the suspended pick (N) wagering

is reinstated.

- (o) An organization licensee may request approval of a pick (N) wager or separate wagering pool for specific performances. (Authorized by K.S.A. 1991 Supp. 74-8804; implementing K.S.A. 1991 Supp. 74-8819; effective June 1, 1992.)

112-9-39a. Superfecta pools. (a) The superfecta requires selection of the first four finishers, in their exact order, for a single contest.

(b) The net superfecta pool shall be distributed to winning wagers in the following precedence, based

upon the official order of finish:

(1) as a single price pool to those whose combination finishes in correct sequence as the first four betting interests; but if there are no such wagers, then

(2) as a single price pool to those whose combination includes, in correct sequence, the first three betting interests; but if there are no such wagers, then

(3) as a single price pool to those whose combination includes, in correct sequence, the first two betting interests; but if there are no such wagers, then

(4) as a single price pool to those whose combination correctly selects the first-place betting interest only; but if there are no such wagers, then

(5) the entire pool shall be refunded on superfecta

wagers for that contest.

(c) If fewer than four betting interests finish and the contest is declared official, payoffs will be made based upon the order of finish of those betting interests completing the contest. The balance of any selection beyond the number of betting interests completing the contest shall be ignored.

(d) If there is a dead heat for first involving contestants representing four or more betting interests, all of the wagering combinations selecting four betting interests which correspond with any of the betting

interests involved in the dead heat shall share in a

profit split.

(e) If there is a dead heat for first involving contestants representing three betting interests, all of the wagering combinations selecting the three dead-heated betting interests, regardless of order, along with the fourth-place betting interest shall share in a profit split.

(f) If there is a dead heat for first involving contestants representing two betting interests, both of the wagering combinations selecting the two dead-heated betting interests, regardless of order, along with the third-place and fourth-place betting interests shall

share in a profit split.

(g) If there is a dead heat for second involving contestants representing three or more betting interests, all of the wagering combinations correctly selecting the winner combined with any of the three betting interests involved in the dead heat for second shall share in a profit split.

(h) If there is a dead heat for second involving contestants representing two betting interests, all of the wagering combinations correctly selecting the winner, the two dead-heated betting interests, regardless of order, and the fourth-place betting interest shall share

in a profit split.

(i) If there is a dead heat for third, all wagering combinations correctly selecting the first two finishers in correct sequence shall share in a profit split along with any two of the betting interests involved in the dead heat for third.

- (j) If there is a dead heat for fourth, all wagering combinations correctly selecting the first three finishers in correct sequence shall share in a profit split along with any of the betting interests involved in the dead heat for fourth.
- (k) Except in live races, coupled entries and mutuel fields shall be prohibited in superfecta contests. (Authorized by K.S.A. 1991 Supp. 74-8804; implementing K.S.A. 1991 Supp. 74-8819; effective June 1, 1992.)
- 112-9-40a. Tri-superfecta pools. (a) The tri-superfecta requires selection of the first three finishers, in their exact order, in the first of two designated contests and the first four finishers, in exact order, in the second of the two designated contests. Each winning ticket for the first tri-superfecta contest must be exchanged for a free ticket on the second tri-superfecta contest in order to remain eligible for the second-half tri-superfecta pool. Such tickets may be exchanged only at attended ticket windows prior to the second tri-superfecta contest. Winning first-half tri-superfecta tickets shall receive both an exchange and a monetary payoff. Both of the designated tri-superfecta contests shall be included in only one tri-superfecta pool.

(b) After wagering closes for the first-half of the trisuperfecta and the takeout has been deducted from the pool, the net pool then shall be divided into two separate pools: the first-half tri-superfecta pool and the

second-half tri-superfecta pool.

(c) In the first tri-superfecta contest only, winning tickets shall be determined using the following precedence, based upon the official order of finish for the first tri-superfecta contest:

(1) as a single price pool to those whose combination finishes in correct sequence as the first three betting interests; but if there are no such wagers, then

(2) as a single price pool to those whose combination includes, in correct sequence, the first two betting interests; but if there are no such wagers, then

(3) as a single price pool to those whose combination correctly selects the first-place betting interest only; but

if there are no such wagers, then

(4) the entire tri-superfecta pool shall be refunded on tri-superfecta wagers for that contest, and the second-half shall be canceled.

(d) If no first-half tri-superfecta ticket selects the first three finishers of that contest in exact order, winning ticket holders shall not receive any exchange tickets for the second-half tri-superfecta pool. In such case, the second-half tri-superfecta pool shall be retained and added to any existing tri-superfecta carryover pool.

(e) Winning tickets from the first-half of the trisuperfecta shall be exchanged for tickets selecting the first four finishers of the second-half of the tri-superfecta. The second-half tri-superfecta pool shall be distributed to winning wagers in the following precedence, based upon the official order of finish for the second tri-superfecta contest:

(1) as a single price pool, including any existing carryover monies, to those whose combination finishes in correct sequence as the first four betting interests; but

if there are no such tickets, then

(2) the entire second-half tri-superfecta pool for that contest shall be added to any existing carryover monies and retained for the corresponding second-half tri-su-

perfecta pool of the next performance.

(f) If a winning first-half tri-superfecta ticket is not presented for cashing and exchange prior to the second-half tri-superfecta contest, the ticket holder may still collect the monetary value associated with the first-half tri-superfecta pool, but forfeits all rights to any distribution of the second-half tri-superfecta pool.

(g) Except for live races, coupled entries and mutuel fields shall be prohibited in tri-superfecta contests.

- (h) If a betting interest in the first-half of the trisuperfecta is scratched, those tri-superfecta tickets including the scratched betting interest shall be refunded.
- (i) If a betting interest in the second-half of the trisuperfecta is scratched, an announcement concerning the scratch shall be made and a reasonable amount of time shall be provided for exchange of tickets that include the scratched betting interest. If tickets have not been exchanged prior to the close of betting for the second tri-superfecta contest, the ticket holder forfeits all rights to the second-half tri-superfecta pool.

(j) If, due to a late scratch, the number of betting interests in the second-half of the tri-superfecta is reduced to a fewer than the minimum, all exchange tickets and outstanding first-half winning tickets shall be entitled to the second-half tri-superfecta pool for that contest as a single price pool, but not the tri-superfecta

carryover.

(k) If there is a dead heat or multiple dead heats in either the first- or second-half of the tri-superfecta, all tri-superfecta tickets selecting the correct order of finish, counting a betting interest involved in a dead heat as finishing in any dead-heated position, shall be a winner. In the case of a dead heat occurring in the first-half of the tri-superfecta, the payoff shall be calculated as a profit split. In the case of a dead heat occurring in the second-half of the tri-superfecta, the payoff shall be calculated as a single price pool.

(1) If either of the tri-superfecta contests is canceled prior to the first tri-superfecta contest, or the first trisuperfecta contest is declared "no contest," the entire tri-superfecta pool shall be refunded on tri-superfecta wagers for that contest, and the second-half shall be

(m) If the second-half tri-superfecta contest is canceled or declared "no contest," all exchange tickets and outstanding first-half winning tri-superfecta tickets shall be entitled to the net tri-superfecta pool for that contest as a single price pool, but not the tri-superfecta carryover. If there are no such tickets, the net trisuperfecta pool shall be distributed as described in subparagraph (c) of this regulation.

(n) The tri-superfecta carryover may be capped at a designated level as provided in these racing

) An organization licensee may request permission to distribute the tri-superfecta carryover on a specific performance. The request shall be submitted to the commission in writing and shall include justification for the distribution, an explanation of the benefit to be derived and the intended date and performance when the distribution will be made.

(p) If the tri-superfecta carryover is designated for distribution on a specified date and performance, the following precedence shall be followed in determining winning tickets for the second-half of the tri-superfecta after completion of the first-half of the tri-superfecta:

(1) as a single price pool to those whose combination finishes in correct sequence as the first four betting interests; but if there are no such wagers, then

(2) as a single price pool to those whose combination includes, in correct sequence, the first three betting interests; but if there are no such wagers, then

(3) as a single price pool to those whose combination includes, in correct sequence, the first two betting interests; but if there are no such wagers, then

(4) as a single price pool to those whose combination includes, in correct sequence, the first-place betting interest only; but if there are no such wagers, then

(5) as a single price pool to holders of valid exchange tickets; but if there are no valid exchange tickets, then

(6) as a single price pool to holders of outstanding

first-half winning tickets.

(q) Notwithstanding the provisions of this regulation, during a performance designated to distribute the tri-superfecta carryover, exchange tickets, shall be issued for those combinations selecting the greatest number of betting interests in their correct order of finish for the first-half of the tri-superfecta. If there are no wagers correctly selecting the first-, second-, and third-place finishers, in their exact order, then exchange tickets shall be issued for combinations correctly selecting the first- and second-place betting interests. If there are no wagers correctly selecting the first- and second-place finishers, in their exact order, then exchange tickets shall be issued for combinations correctly selecting the first-place betting interest only. If there are no wagers selecting the first-place betting interest only in the first-half of the tri-superfecta, all first-half tickets shall become winners and shall receive

100 percent of that day's net tri-superfecta pool and any existing tri-superfecta carryover as a single price pool.

(r) The tri-superfecta carryover shall be designated for distribution on a specified date and performance

only under the following circumstances:

(1) upon written approval from the commission as provided in subparagraph (o) of this regulation; or

(2) upon written approval from the commission when there is a change in the carryover cap or when the tri-superfecta is discontinued; or

(3) on the closing performance of the meeting or

split meeting.

(s) If, for any reason, the tri-superfecta carryover must be carried over to the corresponding tri-superfecta pool of a subsequent meeting, the carryover shall be deposited in an interest-bearing account approved by the commission. The tri-superfecta carryover plus accrued interest shall then be added to the second-half tri-superfecta pool of the following meeting on a date and performance designated by the commission.

(t) Providing information to any person regarding covered combinations, amounts wagered on specific combinations or number of tickets sold is prohibited. This shall not prohibit any necessary communication for the processing of pool data between totalisator and

parimutuel department employees.

- (u) At the beginning of each meeting each organization licensee shall obtain written approval from the commission concerning the scheduling of tri-superfecta contests, the percentages of the net pool added to the first-half pool and the second-half pool and the designated amount of any cap to be set on the carryover. Any modification of the approved tri-superfecta procedures requires prior approval from the commission. - 112-9-41a. Twin trifecta. (a) The twin trifecta requires selection of the first three finishers, in their exact order, in each of two designated contests. Each winning ticket for the first twin trifecta contest must be exchanged for a free ticket for the second twin trifecta contest in order to remain eligible for the second-half twin trifecta pool. These tickets may be exchanged only at attended ticket windows prior to the second twin trifecta contest. Winning first-half twin trifecta wagers will receive both an exchange and a monetary payoff. Both of the designated twin trifecta contests shall be included in only one twin trifecta pool.

(b) After wagering closes for the first-half of the twin trifecta and the takeout has been deducted from the pool, the net pool then shall be divided into separate pools: the first-half twin trifecta pool and the second-

half twin trifecta pool.

(c) In the first twin trifecta contest only, winning wagers shall be determined using the following precedence, based upon the official order of finish for the first twin trifecta contest:

(1) as a single price pool to those whose combination finished in the same sequence as the first three betting interests; but if there are no such wagers, then

(2) as a single price pool to those whose combination includes, in correct sequence, the first two betting in-

terests; but if there are no such wagers, then

(3) as a single price pool to those whose combination correctly selected the first-place betting interest only; but if there are no such wagers, then

(4) the entire twin trifecta pool shall be refunded on twin trifecta wagers for that contest and the second-

half shall be canceled.

(d) If no first-half twin trifecta ticket selects the first three finishers of that contest in exact order, winning ticket holders shall not receive any exchange tickets for the second-half twin trifecta pool. In such case, the second-half twin trifecta pool shall be retained and added to any existing twin trifecta carryover pool.

(e) Winning tickets from the first-half of the twin trifecta shall be exchanged for tickets selecting the first three finishers of the second-half of the twin trifecta. The second-half twin trifecta pool shall be distributed to winning wagers in the following precedence, based upon the official order of finish for the second twin trifecta contest:

(1) as a single price pool, including any existing carryover monies, to those whose combination finishes in the same sequence as the first three betting interests;

but if there are no such tickets, then

(2) the entire second-half twin trifecta pool for that contest shall be added to any existing carryover monies and retained for the corresponding second-half twin trifecta pool of the next consecutive performance.

(f) If a winning first-half twin trifecta ticket is not presented for cashing and exchange prior to the second-half twin trifecta contest, the ticket holder may collect the monetary value associated with the first-half twin trifecta pool, but forfeits all rights to any distribution of the second-half twin trifecta pool.

(g) Except for live races, coupled entries and mutuel fields shall be prohibited in twin trifecta contests.

- (h) If a betting interest in the first-half of the twin trifecta is scratched, those twin trifecta wagers, including the scratched betting interest, shall be refunded.
- (i) If a betting interest in the second-half of the twin trifecta is scratched, an announcement concerning the scratch shall be made and a reasonable amount of time shall be provided for the exchange of tickets that include the scratched betting interest. If tickets have not been exchanged prior to the close of betting for the second twin trifecta contest, the ticket holder forfeits all rights to the second-half twin trifecta pool.

(j) If, due to a late scratch, the number of betting interests in the second-half of the twin trifecta is reduced to fewer than the minimum, all exchange tickets and outstanding first-half winning tickets shall be entitled to the second-half twin trifecta pool for that contest as a single price pool, but not the twin-trifecta

carryover.

(k) If there is a dead heat or multiple dead heats in either the first- or second-half of the twin trifecta, all twin trifecta wagers selecting the correct order of finish, counting a betting interest involved in a dead heat as finishing in any dead-heated position, shall be a

winner. In the case of a dead heat occurring in the first-half of the twin trifecta, the payoff shall be calculated as a profit split. In the case of a dead heat occurring in the second-half of the twin trifecta, the payoff shall be calculated as a single price pool.

(l) If either of the twin trifecta contests is canceled prior to the first twin trifecta contest or if the first twin trifecta contest is declared a "no contest," the entire twin trifecta pool shall be refunded on twin trifecta wagers for that contest, and the second-half of the twin

trifecta shall be canceled.

(m) If the second-half twin trifecta contest is canceled or declared "no contest," all exchange tickets and outstanding first-half winning twin trifecta tickets shall be entitled to the net twin trifecta pool for that contest as a single price pool, but not to the twin-trifecta carryover. If there are no such tickets, the net twin trifecta pool shall be distributed as described in subparagraph (c) of this regulation.

(n) The twin-trifecta carryover may be capped at a designated level as provided in these racing

regulations.

(o) An organization licensee may request permission to distribute the twin trifecta jackpot on a specific performance. The request shall be submitted to the commission in writing and shall include justification for the distribution, an explanation of the benefit to be derived and the intended date and performance when the distribution will be made.

(p) If the twin trifecta carryover is designated for distribution on a specified date and performance, the following precedence shall be followed in determining winning tickets for the second-half of the twin trifecta after completion of the first-half of the twin trifecta:

(1) as a single price pool to those whose combination finishes in the same sequence as the first three betting interests; but if there are no such wagers, then

(2) as a single price pool to those whose combination includes, in correct sequence, the first two betting interests; but if there are no such wagers, then

(3) as a single price pool to those whose combination correctly selects the first-place betting interest only; but

if there are no such wagers, then

(4) as a single price pool to holders of valid exchange tickets; but if there are no holders of valid exchange

uckets, then

(5) as a single price pool to holders of outstanding

first-half winning tickets.

(q) Notwithstanding the provisions of this regulation, during a performance designated to distribute the twin trifecta carryover, exchange tickets shall be issued for those combinations selecting the greatest number of betting interests in their correct order of finish for the first-half of the twin trifecta. If there are no wagers correctly selecting the first-, second-, and third-place finishers, in their exact order, then exchange tickets shall be issued for combinations correctly selecting the first- and second-place betting interests. If there are no wagers correctly selecting the first- and secondplace finishers, in their exact order, then exchange tickets shall be issued for combinations correctly selecting the first-place betting interest only. If there are no wagers selecting the first-place betting interest only in the first-half of the twin trifecta, all first-half tickets shall become winners and shall receive 100 percent of that day's net twin trifecta pool and any existing twin trifecta carryover as a single price pool.

(r) The twin trifecta carryover shall be designated for distribution on a specified date and performance only under the following circumstances:

(1) upon written approval from the commission as provided in subparagraph (o) of this regulation; or

(2) upon written approval from the commission when there is a change in the carryover cap or when the twin trifecta is discontinued; or

(3) on the closing performance of the meeting or

split meeting.

(s) If, for any reason, the twin-trifecta carryover must be carried over to the corresponding twin trifecta pool of a subsequent meeting, the jackpot shall be deposited in an interest-bearing account approved by the commission. The twin trifecta carryover and accrued interest then shall be added to the second-half twin trifecta pool of the following meeting on a date and performance designated by the commission.

(t) Providing information to any person regarding covered combinations, amounts wagered on specific combinations or number of tickets sold is prohibited. This shall not prohibit any necessary communication for the processing of pool data between totalisator and

parimutuel department employees.

- (u) The organization licensee shall obtain written approval from the commission concerning the scheduling of twin trifecta contests, the percentages of the net pool added to the first-half pool and second-half pool and the designated amount of any cap to be set on the carryover. Any modification of the approved twin trifecta procedures requires prior approval from the commission. (Authorized by K.S.A. 1990 Supp. 74-8804(p); implementing K.S.A. 1990 Supp. 74-8819(b), as amended by L. 1991, ch. 247 § 5; effective, T-112-9-26-91, Sept. 26, 1991; effective June 1, 1992).
- 112-9-42. Twin superfecta pools. (a) The twin superfecta requires selection of the first four finishers, in their exact order, in each of two designated contests. Each winning ticket for the first twin superfecta contest must be exchanged for a free ticket on the second twin superfecta contest in order to remain eligible for the second-half twin superfecta pool. Such tickets may be exchanged only at attended ticket windows prior to the second twin superfecta contest. Winning first-half twin superfecta tickets shall receive both an exchange and a monetary payoff. Both of the designated twin superfecta contests shall be included in only one twin superfecta pool.

(b) After wagering closes for the first-half of the twin superfecta and the takeout has been deducted from the pool, the net pool shall then be divided into two separate pools: the first-half twin superfecta pool and

the second-half twin superfecta pool.

(c) In the first twin superfecta contest only, winning wagers shall be determined using the following precedence, based upon the official order of finish for the first twin superfecta contest:

(1) as a single price pool to those whose combination finishes in correct sequence as the first four betting interests; but if there are no such wagers, then

(continued)

(2) as a single price pool to those whose combination includes, in correct sequence, the first three betting interests; but if there are no such wagers, then

(3) as a single price pool to those whose combination includes, in correct sequence, the first two betting in-

terests; but if there are no such wagers, then

(4) as a single price pool to those whose combination correctly selects the first-place betting interest only; but if there are no such wagers, then

(5) the entire twin superfecta pool shall be refunded on twin superfecta wagers for that contest, and the

second-half shall be canceled.

(d) If no first-half twin superfecta ticket selects the first four finishers of that contest in exact order, winning ticket holders shall not receive any exchange tickets for the second-half twin superfecta pool. In such case, the second-half twin superfecta pool shall be retained and added to any existing twin superfecta carryover pool.

(e) Winning tickets from the first-half of the twin superfecta shall be exchanged for tickets selecting the first four finishers of the second-half of the twin superfecta. The second-half twin superfecta pool shall be distributed to winning wagers in the following precedence, based upon the official order of finish for the

second twin trifecta contest:

(1) as a single price pool, including any existing carryover monies, to those whose combination finishes in correct sequence as the first four betting interests; but if there are no such tickets, then

(2) the entire second-half twin superfecta pool for that contest shall be added to any existing carryover monies and retained for the corresponding second-half twin superfecta pool of the next performance.

- (f) If a winning first-half twin superfecta ticket is not presented for cashing and exchange prior to the second-half twin superfecta contest, the ticket holder may still collect the monetary value associated with the first-half twin superfecta pool but forfeits all rights to any distribution of the second-half twin superfecta pool.
- (g) Except for live races, coupled entries and mutuel fields shall be prohibited in twin superfecta contests.
- (h) If a betting interest in the first-half of the twin superfecta is scratched, those twin superfecta tickets including the scratched betting interest shall be refunded.
- (i) If a betting interest in the second-half of the twin superfecta is scratched, an announcement concerning the scratch shall be made and a reasonable amount of time shall be provided for exchange of tickets that include the scratched betting interest. If tickets have not been exchanged prior to the close of betting for the second twin superfecta contest, the ticket holder forfeits all rights to the second-half twin superfecta pool.
- (j) If, due to a late scratch, the number of betting interests in the second-half of the twin superfecta is reduced to fewer than the minimum, all exchange tickets and outstanding first-half winning tickets shall be entitled to the second-half twin superfecta pool for that contest as a single price pool, but not the twin superfecta carryover.

(k) If there is a dead heat or multiple dead heats in either the first- or second-half of the twin superfecta, all twin superfecta tickets selecting the correct order of finish, counting a betting interest involved in a dead heat as finishing in any dead-heated position, shall be a winner. In the case of a dead heat occurring in the first-half of the twin superfecta, the payoff shall be calculated as a profit split. In the case of a dead heat occurring in the second-half of the twin superfecta, the payoff shall be calculated as a single price pool.

(l) If either of the twin superfecta contests is canceled prior to the first twin superfecta contest, or the first twin superfecta contest, or the first twin superfecta contest is declared "no contest," the entire twin superfecta pool shall be refunded on twin superfecta wagers for that contest, and the sec-

ond-half shall be canceled.

(m) If the second-half twin superfecta contest is canceled or declared "no contest," all exchange tickets and outstanding first-half winning twin superfecta tickets shall be entitled to the net twin superfecta pool for that contest as a single price pool, but not the twin superfecta carryover. If there are no such tickets, the net twin superfecta pool shall be distributed as described in subparagraph (c) of this regulation.

(n) The twin superfecta carryover may be capped at a designated level as provided in these racing

regulations

- (o) An organization licensee may request permission to distribute the twin superfecta carryover on a specific performance. The request shall be submitted to the commission in writing and shall include justification for the distribution, including how the distribution will serve the best interests of the wagering public, an explanation of the benefit to be derived and the intended data and performance when the distribution will be made. The benefit to both the public and the state shall be weighed in determining whether to approve such a request.
- (p) If the twin superfecta carryover is designated for distribution on a specified date and performance, the following precedence shall be followed in determining winning tickets for the second-half of the twin superfecta after completion of the first-half of the twin superfecta:

(1) as a single price pool to those whose combination finishes in correct sequence as the first four betting interests; but if there are no such wagers, then

(2) as a single price pool to those whose combination includes, in correct sequence, the first three betting interests; but if there are no such wagers, then

(3) as a single price pool to those whose combination includes, in correct sequence, the first two betting interests; but if there are no such wagers, then

(4) as a single price pool to those whose combination correctly selects the first-place betting interest only; but if there are no such wagers, then

(5) as a single price pool to holders of valid exchange tickets; but if there are no valid exchange tickets, then

(6) as a single price pool to holders of outstanding first-half winning tickets.

(q) Notwithstanding the provisions of this regulation, during a performance designated to distribute the twin superfecta carryover, exchange tickets shall be issued for those combinations selecting the greatest number of betting interests in their correct order of finish for the first-half of the twin superfecta. If there are no wagers correctly selecting the first-, second-, third-, and fourth-place finishers, in their exact order,

then exchange tickets shall be issued for combinations correctly selecting the first-, second-, and third-place betting interests. If there are no wagers correctly selecting the first-, second-, and third-place finishers, in their exact order, then exchange tickets shall be issued for combinations correctly selecting the first- and second-place betting interests. If there are no wagers correctly selecting the first- and second-place finishers, in their exact order, then exchange tickets shall be issued for combinations correctly selecting the first-place betting interest only. If there are no wagers selecting the first-place betting interest only in the first-half of the twin superfecta, all first-half tickets shall become winners and shall receive 100 percent of that day's net twin superfecta pool and any existing twin superfecta carryover as a single price pool.

(r) The twin superfecta carryover shall be designated for distribution on a specified date and performance

only under the following circumstances:

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 1991 Supp. 65-165 is hereby amended to read as follows: 65-165. (a) Upon application made to the secretary of health and environment by the public authorities having by law the charge of the sewer system of any municipality, township, county, or legally constituted sewer district, or any person, company, corporation, institution, municipality or federal agency, the secretary of health and environment shall consider the case of such a sewage discharge or sewer system, otherwise prohibited by this act from discharging sewage into any of the waters of the state, or the extension of a sewer system and whenever it is the secretary's opinion that the general interests of the public health would be served thereby, or that the discharge of such sewage would not detract from the quality of the waters of the state for their beneficial uses for domestic or public water supply, agricultural needs, industrial needs, recreational needs or other beneficial use and that such discharge meets or will meet all applicable state water quality standards and applicable federal water quality and effluent standards under the provisions of the federal water pollution control act and amendments thereto as in effect on January 1, 1989, the secretary of health and environment shall issue a permit for the extension of a sewer system or for the discharge of sewage, or both, and shall stipulate in the permit the conditions on which such discharge will be permitted and shall require such treatment of the sewage as determined necessary to protect beneficial uses of the waters of the state in accordance with the statutes and rules and regulations defining the quality of the water affected by such discharge and may require treatment of the sewage in accordance with rules and regulations predicated upon technologically based effluent limitations. Indirect dischargers shall comply with all applicable pretreatment regulations and water quality standards.

permits in the manner provided by law.

(c) Every such permit for the discharge of sewage shall be revocable, or subject to modification and change, by the secretary of health and environment, upon notice having been served on the public authorities having, by law, the charge of the sewer system any municipality, township, county or legally constituted sewer district or on the person, company, corporation, institution, municipality or federal agency owning, maintaining or using the sewage system. The length of time after receipt of the notice within which the discharge of sewage shall be discontinued may be stated in the permit, but in no case shall it be less than 30 days or exceed two years, and; if the length of time is not specified in the permit, it shall be 30 days. On the expiration of the period of time prescribed, after the service of notice of revocation, modification or change from the secretary of health and environment, the right to discharge sewage into any of the waters of the state shall cease and terminate, and the prohibition of this act against such discharge shall be in full force, as though no permit had been granted, but a new permit may thereafter again be granted, as hereinbefore provided.

(d) Except as provided by K.S.A. 19-203, and amendments thereto, all county commissioners not filling a vacancy on the commission as set forth in K.S.A. 19-203 and not holding office for a shorter term in compliance with subsection (e), shall hold office for a term of four (4) years from the second Monday of January next after their election and until their successors are qualified.

(e) The provisions of subsections (a), (c) and (d) of this section may be modified by the adoption of a charter for county government in any county which has established a charter commission pursuant

Sec. 3. K.S.A. 1991 Supp. 19-203 is hereby amended to read as follows: 19-203. When a vacancy occurs before May 1 of the first even-numbered year following the commencement of a term of office, it shall be filled by the appointment of a resident of such district who shall serve until a successor is elected and qualified at the next general election.

(b) Except as provided by subsection (c), appointments under this section shall be made in the manner provided by K.S.A. 25-3902, and amendments thereto, for filling vacancies in district offices.

(c) Vacancies created by an increase in the number of county commissioner districts in a county pursuant to K.S.A. 19-204, and amendments thereto, shall be filled by appointment of the governor. The governor shall make such appointments within 30 days of the date of the adoption of the resolution dividing the county into commissioner districts or within 30 days of the date of the order of the district court dividing the county into commissioner districts as required by section 1. Such appointees shall serve until successors are elected and qualified at the next general election. If at the next general election following such appointments, more than a simple majority of commissioners are elected, persons elected to the positions created by an increase in the number of districts shall be elected for two year terms and until their successors are qualified. Thereafter such members shall be elected to four year terms and until their successors are qualified. The provisions of this subsection shall apply to positions created by an increase in the number of districts at the election held in November 1990 and all such elections thereafter.

Sec. 4. K.S.A. 19-204 is hereby amended to read as follows: 19-204. (a) Subject to the provisions of section 1, the board of county commissioners shall, on the day of the organization of the board or as soon thereafter as may be possible, shall meet and divide the county into three commissioner districts or such number of districts as is prescribed by resolution of the board, as compact and equal in population as possible, and number them, subject to alteration at least once every three years.

Upon the presentation of a petition to the board of county commissioners, signed by electors equal in number to 5% of the qualified electors of the county and verified by the county election officer, requesting that the number of commissioner districts be changed, the board of county commissioners shall cause such proposition to be submitted to the voters of the county at the next general election, following not less than 60 days the presentation of such petition, in which all of the qualified electors of the county are entitled to vote. In the event that more than one such petition is presented to the board of county commissioners prior to a general election, and any of such petitions conflicts with any other such petition with respect to the number of commissioner districts requested, the board of county commissioners shall decide, by majority vote thereon, which of said the propositions shall be submitted to the voters at the next such general election. If a majority of the electors voting at such election shall be in favor of changing the number of commissioner districts, the board of county commissioners shall provide for the division of the county into commissioner districts as hereinabove provided, except as provided in subsections (e) and (f) provided in section 1.
- (c) No change in the number of commissioner districts shall become effective in any county within four years of the effective date of any previous change in the number of commissioner districts in such county.

(d) The provisions of this section may be modified by the adoption of a charter for county government in any county which has established a charter commission pursuant to law.

- (e) In any county having a population of more than 350,000, the board of county commissioners may submit the question authorized by subsection (b) at a special election held on the first Tuesday in April, 1981, by adoption of a resolution not less than 45 days before such Tuesday. If a majority of the electors voting at such election shall be in favor of changing the number of county commissioners, the board of county commissioners shall provide for the division of the county into commissioner districts as compact and equal in population as possible by resolution adopted not later than bix months after such election. At the election in 1982, the commissioners from the two additional commissioner districts shall be elected for four year terms, and such two additional commissioners so elected shall be the first commissioners to serve from such two additional districts.

Any resolution adopted by the board of county commissioners of such county dividing the counties into commissioner districts and providing for the time of election of the commissioners from each district is hereby validated. The commissioners elected from the additional commissioner districts shall be the first commissioners to serve from such additional districts.

Substitute for HOUSE BILL No. 2737

An Act concerning contracts to maintain stocks of lawn and garden maintenance equipment; providing for the regulation of business relations between independent retailers and suppliers thereof.

Be it enacted by the Legislature of the State of Kansas:

Section 1. The purpose of this act is to prevent arbitrary or abusive conduct and to preserve and enhance the reasonable expectations for success in the business of distributing lawn and garden equipment. The retail distribution of lawn and garden equipment, as defined in this act, utilizing independent retail businesses operating under agreements with suppliers, vitally affects the general economy of the state, public interest, and public welfare, and it is necessary to regulate the business relations between the independent retailers and the lawn and garden equipment suppliers.

Sec. 2. As used in this act:

(a) "Equipment" means and includes machinery, equipment, attachments or repair parts therefor, used for lawn, garden, golf course, landscaping or grounds maintenance purposes.

(b) "Retailer" means any person, partnership, firm, corporation, association, or other form of business enterprise engaged in the

business of:

(1) Selling or leasing lawn and garden equipment to the ultimate consumer thereof; and

(2) repairing or servicing lawn and garden equipment.

- (c) "Contract" means either a written or parol agreement or arrangement for a definite or indefinite period between a retailer and a supplier which provides for the rights and obligations of the parties with respect to the purchase or sale of lawn and garden equipment, and which agreement, regardless of the retailer's territorial scope, contemplates the establishment or maintenance by the retailer of a location within the state of Kansas at which lawn and garden equipment and services for the same are displayed, and offered or demonstrated for sale.
- (d) "Net cost" means the amount of money actually paid by a retailer to the supplier.

(e) "Current net price" means the price listed in a supplier's price list or catalogue in effect on the date of termination of a

contract, less any applicable trade and cash discounts.

- (f) "Supplier" means any person, partnership, corporation, association, or any and all other forms of business enterprise engaged in the business of manufacturing, assembly or wholesale distribution of lawn and garden equipment. The term "supplier" and the provisions of this act shall be interpreted liberally, with regard to the equities of the retailer, and in a manner not limited to traditional doctrines of corporate successor liability, and the obligations of a supplier hereunder shall consequently apply to any actual successor in interest to a supplier, including but not limited to, a purchaser of substantial assets or substantial stock, any receiver, trustee or assignee, or any surviving corporation resulting from a merger, liquidation or reorganization of the original or any intermediate successor supplier.
- (a) Whenever any retailer enters into a contract with a supplier and such supplier terminates, cancels, fails to renew, or in fact substantially discontinues such contract, such supplier shall pay to such retailer, or credit to such retailer's account, if and only to the extent that the retailer has outstanding sums owing the supplier, unless the retailer should desire to keep all or part of such merchandise, a sum equal to 90% of the net cost of all new, unused, undamaged and complete lawn and garden equipment, including transportation charges which have been paid by such retailer, and 90% of the current net prices of new, unused and undamaged repair parts which had previously been purchased from such supplier preceding the date of notification of the termination, and held by such retailer on the date of the cancellation of such contract. Upon the payment of such sum, the title and right of possession of such lawn and garden equipment and repair parts and other equipment shall then pass to the supplier making such payment, and such supplier shall then be entitled to the possession of such lawn and garden equipment and repair parts. All payments required to be made under the provisions of this section must be made within 90 days after the return of the lawn and garden equipment, repair parts or other equipment. After 90 days, all payments or allowances shall include

interest calculated from the date of return at the rate prescribed in K.S.A. 16-204, and amendments thereto.

- (b) The provisions of this section shall not be construed to affect in any way any security interest which the supplier may have in the inventory of the retailer, except that any repurchase hereunder shall not be subject to the provisions of the bulk sales law or to the claims of any secured or unsecured creditors of the supplier or any assignee or the supplier until such time the retailer has received payment in full, subject to any offset the retailer may owe to the supplier.
- Sec. 4. The provisions of section 3 shall not require the repurchase from a retailer of any:
 - (a) Repair part which is in a broken or damaged package;
- (b) single repair part which is priced as a set of two or more items;
- (c) repair part which, because of its condition, is not resalable as a new part;
- (d) inventory for which the retailer is unable to furnish evidence, satisfactory to the supplier, of title, free and clear of all claims, liens and encumbrances;
- (e) inventory which the retailer desires to keep, and for which the retailer has a contractual right to do so;
- (f) machines, equipment, and attachments which are not in new, unused, undamaged, or complete condition;
- (g) repair parts which are not in new, unused, or undamaged condition;
- (h) machines, equipment or attachments which were purchased 12 months or more prior to notice of termination of the contract;
- (i) inventory which was ordered by the retailer on or after the date of notification of termination of the contract;
- (j) inventory which was acquired by the retailer from any source other than the supplier or transferee of such supplier; or
- (k) part that has been removed from an engine or short block or piece of equipment or any part purchased separately that has been mounted or installed by the retailer on an engine or on equipment.
- Sec. 5. In the event that any supplier, after such supplier terminates, cancels, fails to renew, or in fact substantially discontinues such contract, fails or refuses to make payment to such retailer as required by the provisions of section 3, such supplier shall be liable in a civil action to the retailer for the actual costs of the action, including attorney, paralegal and expert witness fees; for interest as provided in section 3; and for 100% of the net cost of such machinery, plus transportation charges which have been paid by the retailer; and for 100% of the current net price of the repair parts. In any such action, it shall be the burden of the supplier to establish that the terms of section 4 may apply to except any particular item of lawn and garden equipment from the terms of section 3.
- Sec. 6. No supplier, directly or through any officer, agent or employee, may terminate, cancel or fail to renew without good cause. Good cause means failure by a retailer to substantially comply with essential and reasonable requirements imposed upon the retailer by the contract if such requirements are not different from those requirements imposed on similarly situated dealers either by their terms or in the manner of their enforcement. In addition, good cause shall exist whenever:
- (a) The retailer has transferred a controlling interest in the retailer business without the supplier's consent;
- (b) the retailer has filed a voluntary petition in bankruptcy or has had an involuntary petition in bankruptcy filed against it which has not been discharged within 30 days after the date of filing, or there has been a closeout or sale of a substantial part of the retailer's assets related to the retailer's business or there has been a commencement or dissolution or liquidation of the retailer's business;
- (c) there has been a change, without the prior written approval of the supplier, in the location of retailer's principal place of business if such approval is required under the retailer's agreement with the supplier;
- (d) the retailer has defaulted under any reasonable and essential term of a chattel mortgage or other security agreement between the retailer and supplier, or there has been a revocation or discontinuance of any guarantee of the retailer's present or future obligations to the supplier;
 - (e) the retailer has failed to operate in the normal course of (continued)

business for seven consecutive days or has otherwise abandoned such retailer's business, except for reasonable and customary closures of business;

(f) the retailer has pleaded guilty to or has been convicted of a felony affecting the relationship between the retailer and supplier;

(g) the retailer has engaged in conduct which is injurious or detrimental to the retailer's customers or the public welfare; or

(h) following receipt of written notices of the supplier's requirements and of written notices of the supplier's determination of the retailer's initial and persisting failures to meet the supplier's requirements, the retailer has consistently failed to meet the supplier's requirements for reasonable market penetration based on the supplier's experience in other identified and comparable market areas.

Sec. 7. Except as otherwise provided in this section, a supplier shall provide a retailer at least 90 days' prior notice of termination, cancellation, or nonrenewal of the contract. The notice shall state all reasons constituting good cause for termination, cancellation or nonrenewal and shall provide that the dealer has 60 days in which to cure any claimed deficiency. If the deficiency is rectified within 60 days, the notice shall be void. The notice and right to cure provisions under this section shall not apply if the reason for termination, cancellation or nonrenewal is for any reason set forth in subsections (a) through (h) of section 6.

Sec. 8. If any supplier violates any provisions of section 6 or 7, a retailer may bring an action in any court of competent jurisdiction for damages sustained by the retailer as a consequence of the supplier's violation. The court may also award court costs and reasonable attorney fees to the prevailing party. The remedies set forth in this section shall not be deemed exclusive and shall be in addition to any other remedies permitted by law including proceedings under the Kansas consumer protection act.

Sec. 9. The provisions of this act shall apply to all continuing and nonrenewable contracts, and all other contracts entered into, renewed, amended, assigned or transferred by a supplier to a transferree on or after July 1, 1992, and shall apply only to lawn and garden equipment and repair parts purchased after the effective date of this act. Any contract in force and effect on July 1, 1992, which by its own terms will terminate on a date certain subsequent thereto shall be governed by the law as it existed prior to this act unless renewed, amended, assigned or transferred as described above.

Sec. 10. The provisions of this act shall be supplemental to any agreement between the retailer and the supplier. The retailer may elect to pursue either the contract remedy, the remedy provided herein, or any other remedies permitted by law, and an election by the retailer to pursue such retailer contract or other remedies shall not bar such retailer's right to any remedy provided herein as to the lawn and garden equipment and repair parts not affected by the contract or other remedies.

Sec. 11. If any section of this act, or any part of any section thereof, or the application of such provision to any person or circumstance shall be declared invalid or unconstitutional, such declaration of invalidity shall not affect the remaining portions thereof and the application of such provision to other persons or circumstances.

Sec. 12. This act may be cited as the Kansas lawn and garden equipment dealership act.

Sec. 13. This act shall take effect and be in force from and after its publication in the Kansas register.

(Published in the Kansas Register, April 16, 1992.) HOUSE BILL No. 2900

AN ACT concerning public utilities; relating to the jurisdiction of the state corporation commission over compressed natural gas; amending K.S.A. 66-104 and repealing the existing section.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 66-104 is hereby amended to read as follows: 66-104. The term "public utility," as used in this act, shall be construed to mean every corporation, company, individual, association of persons, their trustees, lessees or receivers, that now or hereafter may own, control, operate or manage, except for private use, any equipment, plant or generating machinery, or any part thereof, for the transmission of telephone messages or for the transmission of telegraph messages in or through any part of the state, or the conveyance of oil and gas through pipelines in or through any part of the state, except pipelines less than fifteen (15) 15 miles in length and not operated in connection with or for the general commercial supply of gas or oil, or for the operation of any trolley lines, street, electrical or motor railway doing business in any county in the state; also all dining car companies doing business within the state, and all companies for the production, transmission, delivery or furnishing of heat, light, water or power. No cooperative, cooperative society, nonprofit or mutual corporation or association which is engaged solely in furnishing telephone service to subscribers from one telephone line without owning or operating its own separate central office facilities, shall be subject to the jurisdiction and control of the commission as provided herein, except that it shall not construct or extend its facilities across or beyond the territorial boundaries of any telephone company or cooperative without first obtaining approval of the commission. As used herein, the term "transmission of telephone messages" shall include the transmission by wire or other means of any voice, data, signals or facsimile communications, including all such communications now in existence or as may be developed in the future.

The term "public utility" shall also include that portion of every municipally owned or operated electric or gas utility located outside of and more than three (3) miles from the corporate limits of such municipality, but nothing in this act shall apply to a municipally owned or operated utility, or portion thereof, located within the corporate limits of such municipality or located outside of such corporate limits but within three (3) miles thereof except as provided in K.S.A. 66-131a, and amendments thereto.

Except as herein provided, the power and authority to control and regulate all public utilities and common carriers situated and operated wholly or principally within any city or principally operated for the benefit of such city or its people, shall be vested exclusively in such city, subject only to the right to apply for relief to the corporation commission as hereinafter provided in K.S.A. 66-133, and amendments thereto, and to the provisions of K.S.A. 66-131a, and amendments thereto. A transit system principally engaged in rendering local transportation service in and between contiguous cities in this and another state by means of street railway, trolley bus and motor bus lines, or any combination thereof, shall be deemed to be a public utility as that term is used in this act and, as such, shall be subject to the jurisdiction of the commission.

The term "public utility" shall not include any activity of an otherwise jurisdictional corporation, company, individual, association of persons, their trustees, lessees or receivers as to the marketing or sale of compressed natural gas for end use as motor vehicle fuel.

Sec. 2. K.S.A. 66-104 is hereby repealed.

Sec. 3. This act shall take effect and be in force from and after its publication in the Kansas register.

(Published in the Kansas Register, April 16, 1992.) HOUSE BILL, No. 2753

AN ACT concerning insurance; group-funded workers compensation pools; amending K.S.A. 1991 Supp. 44-584 and repealing the existing section.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 1991 Supp. 44-584 is hereby amended to read as follows: 44-584. (a) The application for a new certificate or a renewal of an existing certificate shall be signed by the trustees of the trust fund created by the pool. Any application for a renewal of an existing certificate shall meet at least the standards established in subsections (f), (g), (h), (i), (j), (k), (l), (m) and (n) of K.S.A. 44-582 and amendments thereto. After evaluating the application the commissioner shall notify the applicant that the plan submitted is approved or conversely, if the plan submitted is inadequate, the commissioner shall then fully explain to the applicant what additional requirements must be met. If the application is denied, the applicant shall have 15 days to make an application for hearing by the commissioner after service of the denial notice. The hearing shall be conducted in accordance with the provisions of the Kansas administrative procedure act.

(b) All certificates granted hereunder shall expire on April 30 of each year unless sooner suspended or revoked by the commissioner.

(c) Whenever the commissioner shall deem it necessary the commissioner may make, or direct to be made, an examination of the affairs and financial condition of any pool, except that once every five years the commissioner shall conduct an examination of the affairs and financial condition of each pool. Each pool shall submit a certified independent audited financial statement on or before March 31 of each no later than 90 days after the end of the pool's fiscal year.

The financial statement shall include outstanding reserves for claims and for claims incurred but not reported. Each pool shall file payroll records, accident experience and compensation reports and such other reports and statements at such times and in such manner as the commissioner shall require. Whenever it appears to the commissioner from such examination or other satisfactory evidence that the solvency of any such pool is impaired, or that it is doing business in violation of any of the laws of this state, or that its affairs are in an unsound condition so as to endanger its ability to pay or cause to be paid the compensation in the amount, manner and time due as provided for in the Kansas workmen's workers compensation act, the commissioner shall, before filing such report or making the same public, grant such pool upon reasonable notice a hearing in accordance with the provisions of the Kansas administrative procedure act, and, if on such hearing the report be confirmed, the commissioner shall suspend the certificate of authority for such pool until its solvency shall have been fully restored and the laws of the state fully complied with. The commissioner may, if there is an unreasonable delay in restoring the solvency of such pool and in complying with the law, revoke the certificate of authority of such pool to do business in this state. Upon revoking any such certificate the commissioner shall communicate the fact to the attorney general, whose duty it shall be to commence and prosecute an action in the proper court to dissolve such pool or to enjoin the same from doing or transacting business in this state. The commissioner of insurance may call a hearing under K.S.A. 40-222b, and amendments thereto, and the provisions shall apply to group workers' compensation pools.

Sec. 2. K.S.A. 1991 Supp. 44-584 is hereby repealed.

Sec. 3. This act shall take effect and be in force from and after its publication in the Kansas register.
